Engines must not be run before 9:50 on Saturday or 8:50 on Sunday, or after the end of racing on Saturday or 17:00 on Sunday.

11. CIRCUIT ACCESS & EGRESS:

All vehicles will need to go to the assembly area as this will enable noise testing to be carried out.

For qualifying competitors will be released into the pit lane and then onto the circuit at the start of their session.

For all race starts competitors will form up in the assembly area and be released to form up on the grid, no team personnel will be permitted on the grid. Drivers should remain in released order. On the grid drivers will be shown 1 minute & 30 second boards before the green flag lap.

For Caterham race starts: -

1. The SigMax and SigMax VCT Graduate classes will form up as a single grid, in absolute qualifying order, regardless of class, and start on the Red Lights.
2. The Mega Graduate class and SigMa/SigMa VCT Graduate Classes will form up at the front of the grid as a single grid, in absolute qualifying order, regardless of class, and start on the Red Lights. There will be a two row gap then the Classic Graduate Class will form up and will also start on the Red Lights.

At the end of all practice, qualifying and races cars will take the flag, and complete a full lap to leave the circuit via Parc Ferme as directed by the marshals.

Competitors must ensure one garage door is kept closed at all times. It is also essential that cable covers are used for any wires/cables that are stretched across the fire lane at the back of the pit garages. It is asked that competitors also ensure that the fire lane is kept clear at all times as this lane is required for emergency access.

18. CIRCUIT & MEETING NOTES:

BARC will not be liable for any damage caused to vehicles being recovered from the track.

Competitors, who experience mechanical problems, particularly if that problem is likely to be a hazard to others, must be stopped immediately in a place of safety. The competitor may also be liable for any excessive clean-up costs involved.

Motorsport is a non-contact sport and competitors who make contact with each-other render themselves liable to penalties in accordance with the current MSA Yearbook. Likewise, competitors should remain within the white lines defining the edges of the circuit. Failure to do so will render the competitor liable to penalties up to and including exclusion.

All working areas should be kept clean and tidy and any waste placed in the appropriate container. Waste must not be mixed, or waste left around the site. In the event that the BARC is charged for such issues then the charge will be passed on to the championship concerned if the individual cannot be identified.

All team vehicles parked in the paddock must be parked neatly and without unnecessary gaps between vehicles.

The pathway behind the pit garages must be kept clear at all times as it is a fire lane.

There must be no trailing cables across the paddock paths or roadways. Cables that are not protected may be removed.

Any person who is injured or feels unwell should seek help from the circuit medical services. Please contact an official or member of the venue management team.
